

Worship Support Technician

Hours: Sunday from 8:00 am to 1:00 pm

Pay: \$25.00 per hour

Location: The Park Church Elmira (on-site)

The Park Church in downtown Elmira, New York is a progressive worshipping community in the Congregational and United Church of Christ tradition. Our Worship Support Technician is a key player in the delivery of a high-quality Sunday worship experience to both our in-person and online participants. Key responsibilities include:

- Opening the building for worship and insuring that basic systems (HVAC, lighting, sound) are ready for a comfortable worship experience.
- Operating our broadcast center during worship to stream our service to online participants.
- Insuring Beecher Hall is set-up for after-worship programming.
- Reporting licensed music used in worship to OneLicense.
- Closing the building after worship and after-worship activities.

There will be opportunities for additional work based on availability, including Christmas Eve and some funerals.

The successful candidate will have experience with live streaming and recording. Familiarity with macOS, PTZ cameras, network switchers, church presentation software, and video editing is a plus. A willingness to learn is required.

This position provides an exceptional opportunity for professional development and hands-on learning with new media technologies, while helping launch the Church's live-streaming program

The Worship Support Technician is supervised by the pastor.

Note that the position may grow as we continue to upgrade our in-person and online worship experience, including marketing and social media.

Applications by email only to pastor@theparkchurch.org. No phone calls or DMs.
